- B. The Director shall impose reasonable measures in the form of Director's Rules intended to ensure compliance with the VHC as approved by the MTC. Notices of such measures shall be posted on the MTC website and clearly labeled as Director's Rules. Violations of such Rules shall be treated as any other violation of this code. The Director may modify the Director's Rules on his own initiative without MTC approval. The MTC may modify or revoke any Director's Rules upon a finding that the measure is generally excessive or excessive in light of all of the facts of a particular case. The Director shall file a copy of all such rules and any amendments thereto with the MTC. Unless disapproved by the MTC a Director's Rule will become effective 10 days after it is filed with the MTC.
- C. The Director, with the approval of the MTC, may approve surcharges as necessary.

- G. It shall be a violation of this code as set out in the Director's Rules for any person to fail to obey such rules promulgated by the Director.

## CHAPTER 10 – ENFORCEMENT

### 1001 Enforcement.

- A. The Director shall maintain constant vigilance over all vehicles for hire regarding quality, cleanliness, appearance, and general operational fitness, as well as over all drivers of vehicles for hire to insure compliance with this code.
- B. The MTC, through the Director and its agents, shall have full authority to enforce this code. Failure to comply with any lawful instruction of the MTC, its Director, or MTC enforcement agents shall be a Class III violation here under and may also be the subject of suspension or revocation depending on the seriousness of the violation. If a driver or Certificate holder feels that the actions or instructions of an MTC agent are unauthorized or unlawful they should report the actions to the Director who will initiate an investigation and report to the MTC. Direct confrontations or arguments by drivers with MTC agents are never appropriate.
1. From time to time the MTC may authorize other governmental or private organizations to act as enforcement officers for the enforcement of the Vehicle for Hire Code. The Director shall keep a list of those authorized entities in the Director's Rules for this section. *(Adopted 2/23/12)*
  2. Any assault, verbal abuse, threats, threatening conduct or any attempt at such or any act or any conduct that a reasonable person could deem threatening or abusive directed at an employee or commissioner of the MTC by a driver or Certificate holder whether in person or by telephone, text or any other means shall be grounds for immediate revocation of all MTC privileges, licenses or permits. Such revocation shall not be suspended pending appeal as it is regarded as inherently dangerous conduct and if upheld such a revocation will be permanent. *(adopted 9/20/12)*
  - 3.
- C. The MTC through the Director and his agents shall have full authority to inspect all classes of vehicles for compliance with all rules, regulations, laws and ordinances including inspection of MTC driver's licenses, appropriate State driver's licenses and vehicle evidence of insurance to ensure that all operators are adhering to same. Any compartments, trunks, and interior or exterior spaces will be subject to this inspection.
- D. Points and penalties in this code are meant to be a deterrent and are, therefore, cumulative despite the class of violation within any contiguous twenty-four (24) month period. For example, if a driver received a Class II violation, a Class III violation and a Class IV violation, the Class IV violation would be considered the third violation within a contiguous twenty-four (24) month period and would result in two (2) points and a \$50 administrative penalty. However, the MTC is concerned that efforts to comply with the code be rewarded so any contiguous twelve (12) month period without a violation of any class will result in a reduction of accumulated points by fifty percent (50%). Twenty-four (24) contiguous months without a violation will result in all points accumulated to that time being reduced to zero.
- E. The Missouri legislature has authorized the MTC at Section 67.1818 to impose "...administrative penalties not to exceed two hundred dollars..." (\$200.00) and to "...develop a schedule of penalties which shall be available to the public and provided to all owners and operators of taxicabs." The MTC is a fee based agency supported by the vehicle for hire

industry. The costs of enforcing this code constitute a significant element in the overall fees levied on the vehicle for hire industry. In order that the costs of enforcement be borne in larger proportion by those who violate this code rather than be borne by the greater part of the industry that strives to operate within the code, the MTC has adopted a schedule of administrative penalties to be borne by violators of the code which is set out in subsection P of this chapter.

- F. The Director shall memorialize the schedule of violations and penalties in this Chapter for each appropriate section of the code and distribute them to the enforcement officers, the hearing officers, general counsel and post them on the MTC's website. These shall additionally be distributed to all owners and operators of taxicabs and vehicles for hire, and shall also be available from the MTC upon request.
- G. As soon as is practical the Director shall create a citation book or form, which may be electronic, for enforcement officers which shall act as a method for issuing violations of the code and advising of the subsequent court dates with respect to the violation issued.
- H. A citation shall be issued when an enforcement officer has witnessed an action or actions which he believes reasonably constitutes one or more violations of the code; or after interviewing witnesses based upon whose observations and testimony, the officer believes that a violation of the code has occurred; or if an outside law enforcement agency has cited a MTC licensed owner or operator with alleged ordinance violations of any jurisdiction, which if true, the officer believes would warrant a citation under the VHC code.
- I. Citations shall be reviewed by the Director for compliance with rules and the VHC and general conformity with standards of law and equity and may be dismissed in whole or in part or reduced to a lower category (*amended 8/28/12*) by the Director for failure in any area. Otherwise, the Director will sign the citation as having been reviewed and notify the person cited of the nature and class of the violation. Such notification shall contain the appropriate information concerning the appeal procedure pursuant to Chapter 12 of this code.
- J. Upon appeal, a representative of the MTC's office of General Counsel will present evidence supporting all citations written by the MTC's enforcement agents. General Counsel may dismiss any citation or charge in whole or in part or reduce to a lower category of violation (*amended 8/28/12*) if counsel believes the citation does not state a violation of the code or if there is otherwise insufficient evidence upon which to proceed or the citation violates basic standards of equity.
- K. A person receiving a citation may choose to pay the administrative penalty. Upon payment of the penalty the appropriate number of points according to the published schedule will be assessed against the MTC driver's license of the person cited of which a permanent record will be kept. The points will be reduced by one-half if no other citations are received in the ensuing contiguous twelve (12) month period and will be reduced to zero if no further points are received in the next contiguous twelve (12) month period
- L. All violations of the VHC will carry a point penalty in addition to any administrative penalty unless issued to a Certificate holder in which case the violation will be confined to an administrative penalty and an additional suspension or revocation if appropriate.

- M. Certificate holders will be regularly informed of citations issued to their personnel and the disposition of same. It shall be a violation of this code for a Certificate holder to allow the operation of a vehicle for hire under the Certificate holder's control by a person not holding a valid MTC driver's license which would be a license that has expired or is suspended or revoked. A violation of this section will result in an administrative penalty of \$100 for the first offense, \$200 for the second offense, suspension for the third offense and revocation for any subsequent offense within a contiguous forty-eight (48) month period.
- N. Citations directed toward Certificate holders will be presented to the Certificate holder by the enforcement officer if appropriate and then will be reviewed by the Director and the General Counsel. If the Director believes that a violation of the VHC exists, he will so inform the Certificate holder in writing within 30 days of the issuance date of the citation addressed to the office address on file with the MTC by first class mail. The Director will, at that same time, inform the company of its right to appeal pursuant to Chapter 12. The Director may also cite a Certificate holder for violation of the VHC and shall notify the Certificate holder of the particulars of the violation as above and of the right to appeal pursuant to Chapter 12 of this code.

At the docket cut-off date, enforcement officers will switch to the next pre-set docket date if one has been established. In no event will an appeal be delayed for longer than one hundred fifty (150) days. *[adopted 8/18/10]* Failure to appear at a scheduled hearing officer date will be an automatic Class V violation.

### 1203 Setting Docket Dates.

- A. The Director will work with the hearing officers in rotation where possible to establish docket dates if the volume of appeals so justify which will be assigned to each hearing officer over the calendar year. Whether a docket will be heard physically with the hearing officer, counsel, all parties and witnesses physically present will be determined by the hearing officer and submitted to the Director for posting. Any electronic hearing must allow all parties to view and communicate with one another and the hearing officer and must allow counsel, or the parties to question and cross examine all witnesses.

### 1204 Procedure for Appeal to a Hearing Officer.

- A. Any person regulated by this code receiving a citation alleging a violation thereof has the right to appeal that citation to an independent hearing officer provided by the MTC. In addition, a Certificate holder will also have standing to appeal a citation given to one of the Certificate holder's drivers. When that person is notified by the Director of the alleged violation, the Director will also send notification of this right to appeal. The right to appeal must be exercised by notice to the Director only on a form provided by the Director. Such notice must be served on the Director within ten (10) days of receipt.
1. A person receiving a citation may choose to present his case to a hearing officer at which time he is free to be represented by counsel or to appear pro-se. In order to present his case

to a hearing officer, it is only necessary for the person to appear at the hearing date assigned on the citation or by the Director.

  3. If the person presenting his case to the hearing officer prevails, then all charges and any attendant costs will be dismissed, including any record thereof.
  4. If the person presenting his case is found by the hearing officer to have committed all or any of the cited violations of the VHC then, in addition to any other appropriate penalty and points that person will be responsible for court cost in the amount of one hundred dollars (\$100.00).*[adopted 8/18/10]* This amount may be adjusted from time to time by the MTC through the Director and any such adjustments will be communicated to all owners and drivers and posted on the MTC's website and at the MTC's offices.
- B. All hearings may be conducted electronically at the election of the hearing officer. Notice of electronic hearings, if not otherwise noticed, will be given at least one (1) week in advance of the hearing but, if at all possible, at the time the docket date is originally established. Arrangements will be made by the MTC for participants unable to attend electronically.
- C. At an electronically conducted hearing the attorneys and witnesses, the court reporter and the hearing officer may all appear remotely by camera with sound and the hearing may be conducted in that manner.

hearing officer's decision or from the date of the hearing if the appellate hearing officer's decision is rendered from the bench or from the date of the mailing of the appellate hearing officer's decision if no ruling is made from the bench and shall be the same as those set out in Chapter 536 RSMo for appeals to the circuit court.

**1208 Stay of Proceedings.**

- A. The Director, when notified, may stay proceeding in any case which also involves an alleged breach of the law in the jurisdiction of another law enforcement agency until such time as the charges so pending have been resolved. In some circumstances a suspension of driving privileges could result in the interim if it appears that a genuine threat to the public health, safety or welfare exists. Appeals from such a decision of suspension are under this Chapter.

**1209 Appeal of Citation for CERTIFICATE Holders.**

- A. The Certificate holder may pay the administrative penalty and receive any other penalties involved with a citation or may appeal to the hearing officer by filing a notice of appeal as required by this Chapter. Washington University Police;

**Chapter 10, section 1001 C** insurance cards which reflect a driver's personal auto insurance for any class of vehicle for hire under this code will never be considered adequate proof of insurance to operate a vehicle for hire. Only proof of valid commercial vehicle insurance will be considered adequate.

## Chapter 11 Director's Rules

**Chapter 11, section 1101.A.1** pursuant to the authority under section 1101.A.3 examples of actions that will be considered violations of section 1101.A.1, which section applies to all classes of Certificate holder, are as follows:

Where the Certificate holder or its management allows a vehicle that is damaged or unsafe to be operated;

Where the Certificate holder allows or tolerates a subcontractor or independent contractor to operate a damaged or unsafe vehicle;

Where a Certificate holder allows an animal drawn vehicle to be operated by a sick, undernourished or injured animal;

Where any type of vehicle is permitted to be operated without adequate or valid insurance;

Where a driver or independent contractor is allowed to operate a vehicle with a suspended or otherwise invalid MTC license or no MTC license;

Where a driver or independent contractor is allowed to operate a vehicle which is not properly and currently permitted or licensed; Where a driver or independent contractor is allowed to operate a vehicle within the jurisdiction of the MTC which, while exempt from MTC licensure is not properly licensed with any agency which does have jurisdiction over it. These examples are meant to be illustrative and the foregoing does NOT comprise a full list of violations of this section.

**Chapter 11, section 1101.A.2** for the purposes of the “failure to supervise” provisions of this section “excessive violations” of the VHC shall mean once 5% (5 percent) of the drivers of any Certificate holder have been suspended for violations of the VHC which have either not been appealed or have been upheld on appeal.

**Chapter 11, section 1101.C** a valid state operator’s license for the appropriate class of vehicle is essential for operating a MTC licensed vehicle. If the driver’s state operating license is suspended then the MTC license will be suspended for the same period. If a driver is operating a vehicle for hire with a suspended state license then his MTC license will be revoked.

**Chapter 11, section 1101.D.1** an example of a dangerous driving record would be state convictions for careless driving, D.U.I, D.W.I or an at fault accident involving any of the foregoing.

**Chapter 11, section 1101.D.3.b** for purposes of this section **moral turpitude** mean a violation of standards of moral conduct, vileness, such that an act involving moral turpitude is intentionally evil, making the act a crime in the jurisdiction where committed such as rape, sodomy, child molestation, murder and similar offenses.

**Chapter 11, section 1101.E** notices shall be sent to the last known address on file with the MTC.

**Chapter 11, section 1101.F** hearings under this section will go to the merits of suspension itself not just to the question of immediate danger to the public.

**Chapter 11, section 1101.H.1** Suspensions under the VHC shall be for periods of one (1) year or less. Revocations shall be for periods in excess of one (1) year. While the Code prohibits the consideration of a felony conviction in barring an application for an MTC license after ten (10) years, the VHC does not prohibit the Director from considering the circumstances of the felonious acts and whether they create an attendant risk to the traveling public when the Director is making licensing or permitting decisions. Nothing in the VHC precludes a permanent revocation if the facts of a particular case are sufficiently egregious. *(added 11/29/11)*

**Chapter 11, section 1101.I** anonymous complaints will never be considered.

## **Chapter 12 Director’s Rules**

### **Chapter 12, section 1202 Continuance.**

A. Anyone charged with a code violation may obtain one continuance from the Director for good cause shown. Any further continuances must be obtained from the hearing officer before whom the person is scheduled to appear prior to the date of appearance. Since the MTC believes that continuances put an undesirable strain on the enforcement system and are unfair to the charged party, continuances are to be discouraged and additional court costs of \$100.00 will be imposed for the continuance unless the hearing officer determines otherwise.

**Chapter 12, section 1204 A.4 Procedure for Appeal to a Hearing Officer.**

Although this section is couched in terms of citations for code violations, the time provisions for notice of appeal shall apply to any appealable action under the VHC. *(added 9/13/11)*

If the person presenting his case is found by the hearing officer to have committed all or any of the cited violations of the VHC then, in addition to any other appropriate penalty and points that person will be responsible for court cost in the amount of one hundred dollars and 0/100 (\$100.00). This amount may be adjusted from time to time by the MTC through the Director and any such adjustments will be communicated to all owners and drivers and posted on the MTC's website and at the MTC's offices.

**Chapter 12, section 1206.A** *(withdrawn 8/28/12)***Chapter 12, section 1206.B** *(withdrawn 8/28/12)***Chapter 13 Director's Rules**

**Chapter 13, section 1301.I.** Keeping a log of trips for handicap vehicles is an essential part of holding a Certificate under this Chapter since the MTC has implemented the pilot program under this Chapter in an attempt to discover the depth of need for handicap accessible vehicles in its area so the public can be properly served. Without the data on handicap use being made available to the Director in a timely fashion, the goal of this pilot program will never be achieved. The MTC has made failure to timely file trip reports under this chapter a Class II violation of the Code.

1. Timely filing of reports – reports on MTC designated forms will be due in the Director's hands by Friday of the week following the week the report is dated. For example, a report for the week of June 1 to June 7 where June 1 is a Monday, will be due on Friday, June 12 and will be late at close of business that day.
2. Each late report will be a separate violation of the Code.
3. As a Class II violation the first violation shall result in a \$100 administrative penalty; the second violation shall result in a \$150 administrative penalty; the third violation shall result in a \$200 administrative penalty and the fourth violation shall result in revocation of the Chapter 13 Certificate.

Persons holding a Certificate have sixty (60) days from the issuance of the Certificate to put all permitted vehicles into operation. After sixty days any permits which are not assigned to vehicles shall stand revoked unless the Director has granted an extension of this time for good cause shown. Upon a revocation the Director will follow up with a letter to the Certificate holder informing him of the revocation of the permit.

*(adopted 7/27/11)*

**Chapter 1301, Section 1301.I.1**

During the period of the pilot program the number of permitted handicap accessible vehicles permitted shall not exceed 1% of the entire on call taxicab fleet.
