These and

other factors to be considered in such a determination shall be set out under the Director's Rules.

Within 90 days of the closure of the decedent's estate, the heir must apply to the MTC for approval as holder of the CCN. Vehicles taken out of service with the permission of the MTC will not lose their permits as long as the fees for those permits are paid.
- B. Any person wishing to discontinue service voluntarily must give at least ten (10) days notice to the MTC. Failure to give such notice by the CCN holder shall be a Class I violation and shall prohibit the issuance of any CCN in the future to such CCN holder.

206 Permits Assigned to Certificates of Convenience and Necessity.

- A. Permits may only be assigned to the holder of a valid CCN. Every permit that is not renewed annually will be forfeited and further permits may be acquired only through the MTC approved acquisition of a company which has additional valid permits. *(amended 10/22/10)*
- B. The specific method of application of the growth allowance to each class of permit will be set out in detail in the Director's Rules. The application may vary among the various classes of permit, for example, there may be different rules for taxicabs than for courtesy vehicles.

The CCN holder may have garage extras in a number not to exceed 5% of its fleet rounded to the nearest whole number. All such vehicles must be of the same color scheme as the rest of the fleet with which they operate and when such a vehicle is put into service it must first pass inspection, the CCN holder must designate a fleet number of the vehicle preceded by the letters GX. The Director may modify the Director's Rules on his own initiative without MTC approval. The MTC may modify or revoke any Director's Rules upon a finding that the measure is generally excessive or excessive in light of all of the facts of a particular case. The Director shall file a copy of all such rules and any amendments thereto with the MTC. Unless disapproved by the MTC a Director's Rule will become effective 10 days after it is filed with the MTC.
- C. The Director, with the approval of the MTC, may approve surcharges as necessary.
- D. The Director may destroy records, reports, and other related documents at any time if such records, reports, and other related documents have been photographed, micro photographed, electronically generated, electronically recorded, photocopied, reproduced on film or other process capable of producing a clear, accurate and permanent copy of the original. Such film or reproducing material shall be of durable material and the device used to reproduce the records, reports, returns, and other related documents on film or material shall be such as to accurately reproduce and perpetuate the original records, reports, returns and other documents in all details. Such reproduction shall be valid and admissible as though it was in the original paper format for all purposes of the MTC.
- E. In the event that a state of emergency is declared by national, state or local government officials, the Director may issue emergency directives to all CCN holders which must be followed or the CCN will be revoked.
- F. All vehicles operating under this code must comply with the rules promulgated by the Director, as approved by the MTC, but not limited to, compliance with all local, state and federal laws, vehicle design and markings, vehicle inspection standards, driver training, uniforms and record keeping.
- G. It shall be a violation of this code as set out in the Director's Rules for any person to fail to obey such rules promulgated by the Director.

CHAPTER 10 – ENFORCEMENT

1001 Enforcement.

- A. The Director shall maintain constant vigilance over all vehicles for hire regarding quality, cleanliness, appearance, and general operational fitness, as well as over all drivers of vehicles for hire to insure compliance with this code.
- B. The MTC, through the Director and its agents, shall have full authority to enforce this code. Failure to comply with any lawful instruction of the MTC, its Director, or MTC enforcement agents shall be a Class III violation here under and may also be the subject of suspension or revocation depending on the seriousness of the violation. If a driver or CCN holder feels that the actions or instructions of an MTC agent are unauthorized or unlawful they should report the actions to the Director who will initiate an investigation and report to the MTC. Direct confrontations or arguments by drivers with MTC agents are never appropriate.
- C. The MTC through the Director and his agents shall have full authority to inspect all classes of vehicles for compliance with all rules, regulations, laws and ordinances including inspection of MTC driver's licenses, appropriate State driver's licenses and vehicle evidence of insurance to ensure that all operators are adhering to same. Any compartments, trunks, and interior or exterior spaces will be subject to this inspection.
- D. Points and penalties in this code are meant to be a deterrent and are, therefore, cumulative despite the class of violation within any contiguous twenty-four (24) month period. For example, if a driver received a Class II violation, a Class III violation and a Class IV violation, the Class IV violation would be considered the third violation within a contiguous twenty-four (24) month period and would result in two (2) points and a \$50 administrative penalty. However, the MTC is concerned that efforts to comply with the code be rewarded so any contiguous twelve (12) month period without a violation of any class will result in a reduction of accumulated points by fifty percent (50%). Twenty-four (24) contiguous months without a violation will result in all points accumulated to that time being reduced to zero.
- E. The Missouri legislature has authorized the MTC at Section 67.1818 to impose "...administrative penalties not to exceed two hundred dollars..." (\$200.00) and to "...develop a schedule of penalties which shall be available to the public and provided to all owners and operators of taxicabs." The MTC is a fee based agency supported by the vehicle for hire industry. The costs of enforcing this code constitute a significant element in the overall fees levied on the vehicle for hire industry. In order that the costs of enforcement be borne in larger proportion by those who violate this code rather than be borne by the greater part of the industry that strives to operate within the code, the MTC has adopted a schedule of administrative penalties to be borne by violators of the code which is set out in subsection P of this chapter.
- F. The Director shall memorialize the schedule of violations and penalties in this Chapter for each appropriate section of the code and distribute them to the enforcement officers, the hearing officers, general counsel and post them on the MTC's website. These shall additionally be distributed to all owners and operators of taxicabs and vehicles for hire, and shall also be available from the MTC upon request.

- G. As soon as is practical the Director shall create a citation book or form, which may be electronic, for enforcement officers which shall act as a method for issuing violations of the code and advising of the subsequent court dates with respect to the violation issued.
- H. A citation shall be issued when an enforcement officer has witnessed an action or actions which he believes reasonably constitutes one or more violations of the code; or after interviewing witnesses based upon whose observations and testimony, the officer believes that a violation of the code has occurred; or if an outside law enforcement agency has cited a MTC licensed owner or operator with alleged ordinance violations of any jurisdiction, which if true, the officer believes would warrant a citation under the VHC code.
- I. Citations shall be reviewed by the Director for compliance with rules and the VHC and general conformity with standards of law and equity and may be dismissed by the Director for failure in any area. Otherwise, the Director will sign the citation as having been reviewed and notify the person cited of the nature and class of the violation. Such notification shall contain the appropriate information concerning the appeal procedure pursuant to Chapter 12 of this code.
- J. Upon appeal, a representative of the MTC's office of General Counsel will present evidence supporting all citations written by the MTC's enforcement agents. General Counsel may dismiss any citation or charge if counsel believes the citation does not state a violation of the code or if there is otherwise insufficient evidence upon which to proceed or the citation violates basic standards of equity.
- K. A person receiving a citation may choose to pay the administrative penalty. Upon payment of the penalty the appropriate number of points according to the published schedule will be assessed against the MTC driver's license of the person cited of which a permanent record will be kept. The points will be reduced by one-half if no other citations are received in the ensuing contiguous twelve (12) month period and will be reduced to zero if no further points are received in the next contiguous twelve (12) month period
- L. All violations of the VHC will carry a point penalty in addition to any administrative penalty unless issued to a CCN holder in which case the violation will be confined to an administrative penalty and an additional suspension or revocation if appropriate.
- M. CCN holders will be regularly informed of citations issued to their personnel and the disposition of same. It shall be a violation of this code for a CCN holder to allow the operation of a vehicle for hire under the CCN holder's control by a person not holding a valid MTC driver's license which would be a license that has expired or is suspended or revoked. A violation of this section will result in an administrative penalty of \$100 for the first offense, \$200 for the second offense, suspension for the third offense and revocation for any subsequent offense within a contiguous forty-eight (48) month period.
- N. Citations directed toward CCN holders will be presented to the CCN holder by the enforcement officer if appropriate and then will be reviewed by the Director and the General Counsel. If the Director believes that a violation of the VHC exists, he will so inform the CCN holder in writing within 30 days of the issuance date of the citation addressed to the office address on file with the MTC by first class mail. The Director will, at that same time, inform the company of its right to appeal pursuant to Chapter 12. The Director may also cite a CCN holder for

violation of the VHC and shall notify the certificate holder of the particulars of the violation as above and of the right to appeal pursuant to Chapter 12 of this code.

- c. Any further suspensions in a contiguous forty-eight month (48) period shall result in a license revocation.

CHAPTER 11 - MEASURES TO ENSURE COMPLIANCE - SUSPENSIONS OR REVOCATION OF LICENSE

1101 Suspension or Revocation for Non-Compliance.

- A. For any CCN holder – the 1st through 6th violation in any twelve (12) month period shall result in an administrative penalty and upon a 7th violation in the period the company's certificate of convenience and necessity shall stand suspended. Notice of such suspension shall be given by the Director as soon as is practical after the occurrence of the 7th violation. CCN holders shall have the same rights of appeal pursuant to Chapter 12 as any other person subject to this code.
1. Any CCN holder who permits or causes any person acting under the authority of a CCN, including any person acting as an independent contractor under a CCN to violate or fail to comply with any of the provisions of this code, may in addition to any administrative penalty, be subject to suspension or revocation of such person's CCN.
 2. Any CCN holder who allows persons acting under the authority of a CCN to incur excessive violations of the VHC shall violate this code by failing to supervise.
 3. More specific rules concerning the requirements and enforcement of this section may be enacted by the Director.
- B. No driver shall be permitted to hold a MTC drivers license who has by any class of violation suffered three (3) license suspensions within a contiguous forty-eight (48) month period. Any driver having suffered three (3) license suspensions within any contiguous forty-eight (48) month period shall have their license revoked.
- C. Any person operating a vehicle for hire without a Missouri or Illinois driver's license or while such driver's license is suspended commits a Class I violation of this code and may also be subject to revocation.
- D. The Director may suspend for a period up to one hundred eighty (180) days or revoke the MTC vehicle permit of any vehicle for hire or may suspend or revoke a MTC driver's license if the Director finds one (1) or more of the following:
1. That the driver has an overall recent driving history that indicates that he could be a danger to the safety of traveling public.
 2. That the owner, lessee or driver made an intentional misstatement or misleading statement of fact in the application not discovered until after the issuance of said license.
 3. That any owner, lessee or driver has been convicted of or pled guilty to one (1) or more of the following:
 - a. A felony violation of any state statute or law involving any crime against persons, including, but not limited to all forms of assault within ten (10) years of the application or within ten (10) years of release from prison for said felony convictions.

- b. A felony violation of any state statute or law of any crime involving moral turpitude within ten (10) years of the application or within ten (10) years of release from prison for said felony conviction.
 - c. A violation of any federal or state statute involving terrorism or terrorist activity.
 - d. Any failure of periodic random drug tests administered by the Director.
- E. In the event that the Director suspends or revokes a CCN or a MTC vehicle permit or MTC driver's license the Director shall notify the appropriate party and the CCN holder in each case by certified, registered or priority mail of the suspension or revocation and state the reason for the action and the procedure for appeal pursuant to chapter 12 of this code. Suspension shall take effect after ten (10) days' notice to the driver, except as otherwise provided herein.
- F. If the Director determines that there appears to be an immediate threat to the health, safety or welfare of the public, any suspension shall take effect immediately. In the event of an immediate suspension the driver may request a hearing pursuant to Chapter 12 which will be scheduled as soon as practicable. The suspended driver shall bear the burden of going forward with evidence to refute the Director's determination of the appearance of an immediate threat to the health, safety or welfare to the public.
- G. If charges are pending against a driver in another forum involving substantially the same facts as the incident upon which the Director made his suspension decision, then the Director may continue to suspend the MTC driver's license until the charges have been resolved to the Director's satisfaction in that other forum. Otherwise, the Director may suspend a MTC driver's license because of pending felony charges or Class A misdemeanor charges involving assault. The suspension or revocation shall be in writing stating the reason for said suspension and the procedure for appeal pursuant to chapter 12 of this code and sent by registered or certified mail to the driver. Whenever charges are pending in another forum which, if a conviction were obtained, would render the driver ineligible to possess a MTC driver's license under the provisions of this code, the Director may suspend any pending action under this code pending the outcome of the charges in that other forum.
- H. Conviction of or a plea of guilty to an alcohol related offense while operating a vehicle including, but not limited to Driving While Intoxicated shall result in immediate revocation of a MTC driver's license.
- I. Complaints concerning breaches of conduct of the VHC may be filed with the Director by any person. The complaint must be in writing and information as to the address and telephone number of the complainant sufficient to allow the Director to contact the complainant so that evidence to support the complaint may be obtained must be supplied with the filing of the complaint. Complaints not in writing or not containing contact information will not be pursued.
1. All complaints shall allege the nature of the code violation.
 2. If the allegation is of a serious nature, the Director will take immediate steps to obtain and preserve the testimony of the complainant.

3. If the complainant's statement is preserved under oath, every effort will be made to pursue the complaint without requiring a personal appearance by the complainant if the complainant is not a resident of the State of Missouri or does not live within fifty (50) miles of the jurisdiction of the MTC.
 4. If a complaint is filed in person, complainants may be accompanied by counsel.
 5. If a complaint is filed in person and it appears that the complainant is under the influence of an intoxicant or drugs, suffering from a mental disorder, or exhibits any other behavior or condition bearing on the complaint's credibility, these conditions shall be noted with the complaint at the time the complaint is filed with the signature of the observer.
 6. If the complainant filing in person alleges any manner of physical abuse or injury to their person, the person receiving the complaint should encourage them to contact law enforcement authorities immediately.
 7. Citizen complaints may be dismissed by the Director if the Director believes that the statements made in the complaint do not constitute a violation of the VHC.
 8. Citizen complaints may be dismissed by General Counsel if General Counsel believes that there is insufficient evidence available to successfully pursue the complaint or that the allegations of the complaint do not constitute a violation of the VHC.
- J. A citation that is not appealed or a citation that is appealed but is upheld without further appeal must be paid within thirty (30) days of the failure to appeal date or the date of the decision upholding the citation or the MTC license of the driver who has received the citation shall be suspended. If such citation remains unpaid for an additional 30 days the MTC license shall be revoked. Administrative penalties unpaid after sixty (60) days resulting in revocation shall be doubled not to exceed \$200.

CHAPTER 12 – ADMINISTRATIVE PENALTIES AND APPEAL PROCESS**1201 Hearing Date.**

- A. The Director will set up a docket as needed for appeals. The docket will establish a court date for all citations written prior to that docket cut-off date or for a longer period if volume dictates. At the docket cut-off date, enforcement officers will switch to the next pre-set docket date if one has been established. In no event will an appeal be delayed for longer than one hundred fifty (150) days. *[adopted 8/18/10]* Failure to appear at a scheduled hearing officer date will be an automatic Class V violation.

1202 Continuance.

- A. Anyone charged with a code violation may obtain one continuance from the Director for good cause shown. Any further continuances must be obtained from the hearing officer before whom the person is scheduled to appear prior to the date of appearance. Since the MTC believes that continuances put an undesirable strain on the enforcement system and are unfair to the charged party, continuances are to be discouraged and additional court costs of \$100.00 *[adopted 8/18/10]* will be imposed for the continuance unless the hearing officer determines otherwise.

1203 Setting Docket Dates.

- A. The Director will work with the hearing officers in rotation where possible to establish docket dates if the volume of appeals so justify which will be assigned to each hearing officer over the calendar year. The docket will indicate whether it will be heard electronically or physically. The docket dates will be posted on the MTC website and at the MTC offices. Whether a docket will be heard physically with the hearing officer, counsel, all parties and witnesses physically present will be determined by the hearing officer and submitted to the Director for posting. Any electronic hearing must allow all parties to view and communicate with one another and the hearing officer and must allow counsel, or the parties to question and cross examine all witnesses.

1204 Procedure for Appeal to a Hearing Officer.

- A. Any person regulated by this code receiving a citation alleging a violation thereof has the right to appeal that citation to an independent hearing officer provided by the MTC. In addition, a CCN holder will also have standing to appeal a citation given to one of the CCN holder's drivers. When that person is notified by the Director of the alleged violation, the Director will also send notification of this right to appeal. The right to appeal must be exercised by notice to the Director only on a form provided by the Director. Such notice must be served on the Director within ten (10) days of receipt.
1. A person receiving a citation may choose to present his case to a hearing officer at which time he is free to be represented by counsel or to appear pro-se. In order to present his case

to a hearing officer, it is only necessary for the person to appear at the hearing date assigned on the citation or by the Director.

2. If there is sufficient time the person will be heard at the time and date so assigned. If there is not sufficient time, then the person will be heard at the next available date set by the Director or as designated by the hearing officer.
 3. If the person presenting his case to the hearing officer prevails, then all charges and any attendant costs will be dismissed, including any record thereof.
 4. If the person presenting his case is found by the hearing officer to have committed all or any of the cited violations of the VHC then, in addition to any other appropriate penalty and points that person will be responsible for court cost in the amount of one hundred dollars (\$100.00).*[adopted 8/18/10]* This amount may be adjusted from time to time by the MTC through the Director and any such adjustments will be communicated to all owners and drivers and posted on the MTC's website and at the MTC's offices.
- B. All hearings may be conducted electronically at the election of the hearing officer. Notice of electronic hearings, if not otherwise noticed, will be given at least one (1) week in advance of the hearing but, if at all possible, at the time the docket date is originally established. Arrangements will be made by the MTC for participants unable to attend electronically.
- C. At an electronically conducted hearing the attorneys and witnesses, the court reporter and the hearing officer may all appear remotely by camera with sound and the hearing may be conducted in that manner.
- D. Any electronic hearing must allow all parties to view and communicate with one another and the hearing officer and must allow counsel or the parties to question and cross examine all witnesses.

1205 Hearing and Decision on Appeal.

- A. The hearing shall be conducted in the manner set forth in Chapter 536 RSMo. A record of the hearing shall be made. The hearing officer may issue a decision immediately or, as soon as practicable after the hearing, he may issue a decision and order, including findings of fact and conclusions of law. Subpoenas may be issued as provided in Chapter 536 RSMo.

1206 Appeal from Hearing Officer Decision.

- A. Appeals from a decision of the hearing officer are to the MTC's appellate hearing officer. Only one hearing officer will act as appellate hearing officer and will work with the Director to establish dates for appellate hearings. In order to be timely, notice of appeal must be delivered to the Director in writing within ten (10) working days of the original hearing officer's decision.
- B. When a hearing officer's decision is appealed the court costs set out in section 1204.A.4 shall be stayed pending the outcome of the appeal. An appeal bond in the amount of two hundred dollars (\$200.00) must be filed with the notice of appeal for the notice of appeal to be valid. If

the appellant prevails on appeal then no court costs will be imposed and the appeal bond will be refunded. If the hearing officer's decision is upheld on appeal then the actual costs of the appeal will be taxed to appellant as well as the costs of the underlying hearing. The appeal bond will be applied against these costs. *[adopted 8/18/10]*

1207 Appeal to the Circuit Court.

- A. Under no circumstances will there be an appeal to the MTC. Upon completion of the MTC's administrative hearing process, appeals are to the Circuit Court of the City of St. Louis. The time limitations for court review shall run from the date of mailing of the order of the appellate hearing officer's decision or from the date of the hearing if the appellate hearing officer's decision is rendered from the bench or from the date of the mailing of the appellate hearing officer's decision if no ruling is made from the bench and shall be the same as those set out in Chapter 536 RSMo for appeals to the circuit court.

1208 Stay of Proceedings.

- A. The Director, when notified, may stay proceeding in any case which also involves an alleged breach of the law in the jurisdiction of another law enforcement agency until such time as the charges so pending have been resolved. In some circumstances a suspension of driving privileges could result in the interim if it appears that a genuine threat to the public health, safety or welfare exists. Appeals from such a decision of suspension are under this Chapter.

1209 Appeal of Citation for CCN Holders.

- A. The CCN holder may pay the administrative penalty and receive any other penalties involved with a citation or may appeal to the hearing officer by filing a notice of appeal as required by this Chapter. The certificate holder may be represented by counsel or appear pro-se. The appeal process set out herein shall also apply to all alleged CCN holder code violations.

1210 Hearing Officers.

- A. Hearing officers appointed by the MTC shall be familiar with this code and possess the ability to conduct a fair and impartial hearing in accordance with the hearing procedures set forth in chapter 536 RSMo., and to render a fair and impartial decision including findings of fact and conclusions of law where appropriate.
- B. A hearing officer shall not be a member or employee of the MTC, or employed by or own a substantial interest in any hotel or restaurant located in the city or county or any business entity engaged in the business of carrying persons for hire on the streets of the city or county. Substantial interest means ownership by any member of the hearing officer's immediate family, directly or indirectly, of ten (10) percent or more of any business entity. Immediate family means the hearing officer and his or her spouse and their parents, children, brothers, sisters and

spouses thereof. To the extent possible the MTC will endeavor to use retired or former judges as its hearing officers.

- C. The compensation of hearing officers shall be established by the MTC and implemented by the Director.
- D. The hearing officer shall be the judge of his or her own qualification to hear a case, but for good cause shown, may order a change of hearing officer in which event the Director may assign a new hearing officer as soon as is reasonably practical.
- E. Anyone charged with a code violation shall be entitled to one change of hearing officer for good cause shown. The request for change of hearing officer should be presented to the Director at least ten (10) days prior to any hearing.

1211 Court Reporters.

- A. The Director will work with the office of General Counsel to establish a procedure for procuring and compensating court reporters used for hearings and appeals. Court reporters may bill the MTC directly for their services.

1212 Hearing Premises.

- A. Normal venue for all hearings and appeals will be the offices of the MTC unless otherwise notified. If the offices of the MTC are for any reason unavailable, the Director will work with the office of General Counsel to procure adequate facilities in which to hold hearings and appeals. The location of these premises will be posted at the MTC's offices and on the MTC's website and will be made known to anyone affected.

Chapter 13 - COMPLIANCE WITH THE AMERICANS WITH DISABILITIES ACT

1301 Certificate of Convenience and Necessity for Specially Designed Handicap Accessible Vehicles *(Added 3/28/11 amended 4/8/11)*

- A. There is hereby created a special CCN category to operate handicap accessible vehicles only.
- B. Vehicles permitted under this category must be handicap accessible vehicles by design and fully compliant with all qualifications of the ADA including driver training at a training course designated by the Director.
- C. No permit granted under this category of CCN may ever be used for any other type vehicle than a handicap vehicle.
- D. Vehicles permitted under this type of CCN must be dispatched and otherwise comply with all requirements of the Code for on call taxicabs.
- E. A CCN holder operating under this type of CCN will be subject to all of the provisions relevant to on call taxicabs.
- F. Vehicles permitted under this type of CCN may not enter service when they are more than 6 years old and must be taken out of service when they are 9 years old.
- G. CCN holders operating under this type of CCN may make arrangements with other CCN holders to provide handicap vehicle access service for them on a contract basis. They may also

- provide handicap access service under contract for other agencies or companies but all contracts must be on file with the MTC within ten (10) days of being signed.
- H. Any CCN holder operating under this type of certificate may pick up non-handicap as well as handicap passengers but the primary duty of this type of CCN will be to serve the handicap market.
 - I. In order that the MTC may determine the extent of the demand for handicap vehicles in its market area, all vehicles operating under this type of CCN shall keep a written log in each permitted vehicle in which every trip shall be recorded indicating clearly whether or not it was a handicap trip. Such reports are to be submitted to the MTC weekly for a period of 18 months from the inception period of the CCN or for such longer period as the Director may provide in his Rules. Failure to accurately document a trip shall be a Class II violation. Operations pursuant to a CCN under this chapter of the Code will be considered a pilot program for the first 18 months and permits initially issued may be increased or reduced as a result of the data collected under this program.
 - J. Any CCN holder choosing to replace an exiting taxicab or premium sedan with a handicap accessible vehicle must follow all rules for handicap accessible vehicles including reporting weekly the number of handicap trips taken for each vehicle, however, such a handicap vehicle may be replaced by a regular fleet vehicle if it is not being operated under a handicap CCN.
 - K. Refusal to provide transport for a handicap passenger by a handicap accessible vehicle shall be a Class I violation and in addition to other penalties under this code may result in suspension or revocation of the driver's license and permit involved as well as the handicap CCN.

When such a minority interest in a CCN holder is being acquired the transfer will be considered after an application of transfer, approved by the managing agent of the CCN holder is submitted to the MTC. A fee for such application for approval shall be two hundred fifty dollars (\$250.00) and the information that must be

provided to the MTC when seeking such approval shall be a fully executed contract of sale as well as the same information that must be provided under section 202.B.3.b, d, e, f, g, I, j, m, p and q as well as section 202.B.4. Only CCN holders shall lease vehicles for hire. The MTC must be able to determine who is driving any vehicle for hire so that it can make sure those persons are properly licensed, have clean criminal records and are not security risks among other considerations. Concealed sub leases make this impossible to accomplish and so are prohibited. *(added 11/17/10)*
